

Greater Dayton **Brain Health** Foundation

Dear Friends of the Greater Dayton Brain Health Foundation,

In this season of giving, we are grateful for all our blessings and want to share our gifts with others. Please consider offering hope and eradicating stigma by providing a gift of hope, especially for older persons who struggle with mental illness, addiction and dementia challenges.

The Greater Dayton Brain Health Foundation has prioritized this population for 2020-2021, and is dedicated to the Aging population by supporting healthy communities, eliminating suicide risks and providing supportive services for family members and caregivers.

Please consider making a gift today to support these initiatives. To make your donation, please click on the link below:
